

Maintenance Team Members

The Victorian Police, Fire and Ambulance station which houses the National Emergency Services Museum in Sheffield City Centre is a hub of activity. With over 40,000 visitors a year, multiple events, corporate bookings, school visits, TV filming and more this historic heritage site is a

bustling visitor attraction. To cope with our increasing visitor numbers we are looking to increase our maintenance team. Join a community of passionate volunteers in ensuring this busy Victorian building is maintained, cared for and kept clean and functional. The role of the maintenance team also involves the care of some of our functional vehicles, the building of new exhibitions, exhibition repair and general repairs of areas of the building.

Join a warm and diverse team in an exciting time in NESM's story. Candidates will have the opportunity to get hands on with the build and maintenance of interactive, engaging new exhibitions, the care of a beautiful, historic building and the chance to be involved in the preservation of history.

What we are looking for:

- Passion and enthusiasm.
- An interest in learning new skills.
- Be able and happy to undertake various physically active tasks.
- An ability to adapt and use initiative.
- Basic maintenance knowledge/skills.
- Ability to work independently or in a team.
- Preferred experience in a trade or building skills.
- Preferred ability to drive.
