

VISITOR PARKING

If using a sat-nav to find us please use the post code: S3 8PT

When arriving into Sheffield keep an eye out for brown road signs for Cathedral Quarter. These signs will take you from the outer ring road to the museum. Parking can be found in a number of pay and display car parks around the museum all within walking distance.

The Blue marked areas below show Sheffield Council off road parking. A number of private pay and display car parks as well as local hotel pay and display parking can be found nearby. If you require any assistance please feel free to contact us before visiting.
